- ☐ Rename “Portfolio” as “Overview”

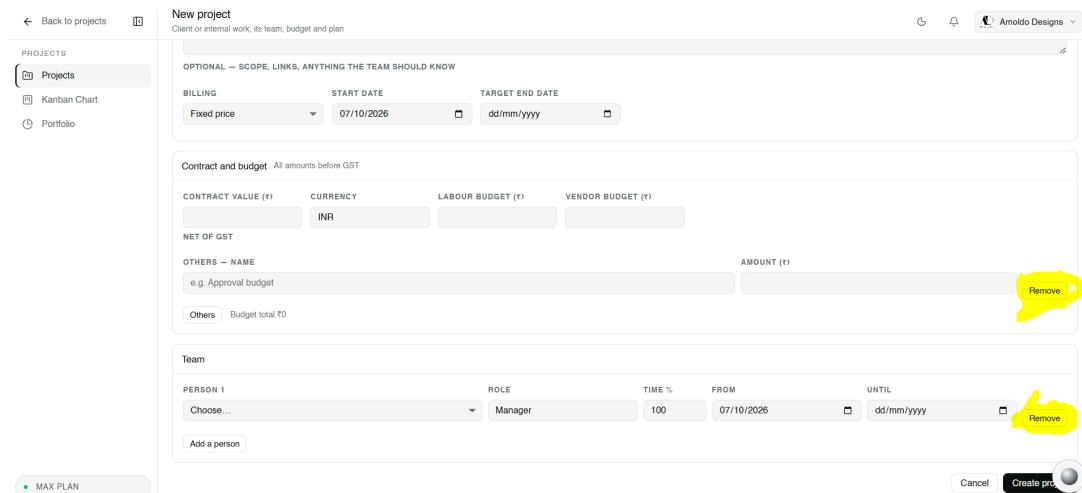

<https://edgeos-beta.vercel.app/projects>

- ☐ Keep the “New Project” button to right end

<https://edgeos-beta.vercel.app/projects/new>

- ☐ “Delete” button is not straight - Both In For a client and Internal

- ☐ In the New Project page, give an option called “Type of Project” with a Radio button.

- Waterfall Method

It is a linear and sequential approach

(Ex: Construction, Manufacturing, Healthcare, Retail, etc)

- Agile Method

It is a flexible software development approach

(Ex: Software, Banking, Finance, Marketing, etc)

- Hybrid Method

(Not sure?, Go with Hybrid, it is a combination of both Waterfall & Agile)

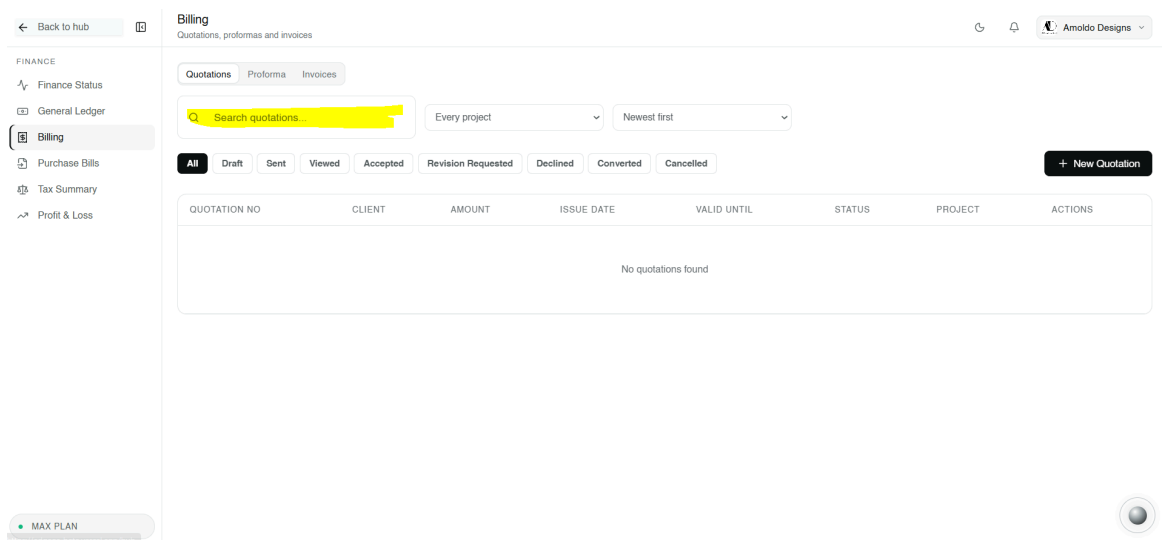

Example:

Project -> Client / Internal -> Manufacturing -> Waterfall Method

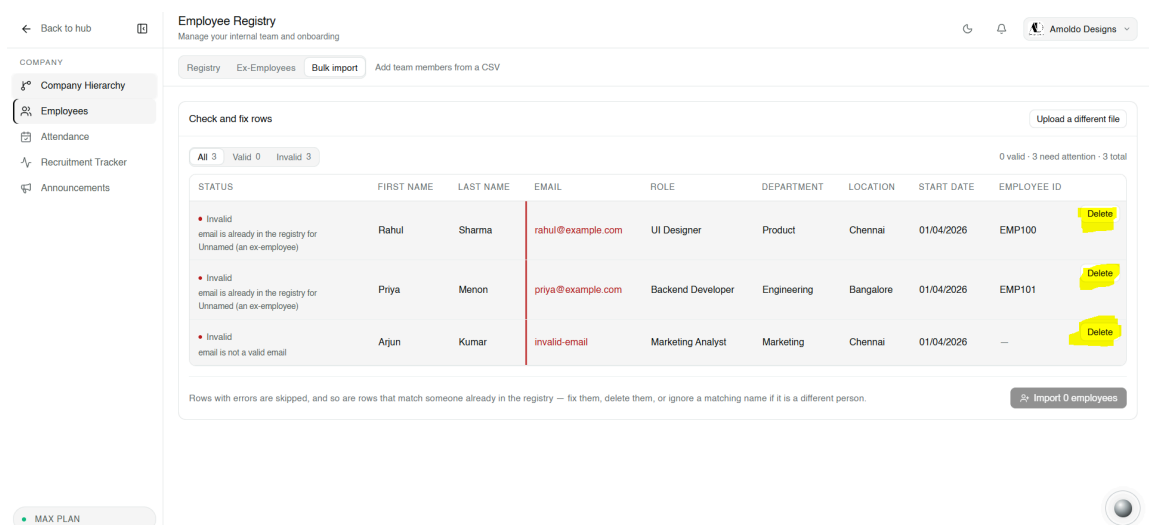

Product -> Client / Internal -> Software App -> Agile Method

<https://edgeos-beta.vercel.app/billing/quotations>

- ☐ Search bar is bigger, Make it equal to the other 2 filters

- ☐ Delete button is not straight

- ☐ During bulk upload, It is showing a message “email is already in the registry for Unnamed (an ex-employee)”, We need to check the Employee registry, Not the Ex-Employees registry.

The screenshot shows the 'Employee Registry' page. On the left is a sidebar with 'COMPANY' and 'Employees' selected. The main area has tabs for 'Registry', 'Ex-Employees', and 'Bulk import'. Below the tabs is a 'Check and fix rows' section with a table of 3 rows. The first two rows have error messages: 'Invalid email is already in the registry for Unnamed (an ex-employee)'. The third row has an error: 'Invalid email is not a valid email'. Each row has a 'Delete' button. At the bottom right, there is a button 'Import 0 employees'.

- ☐ Search bar is bigger

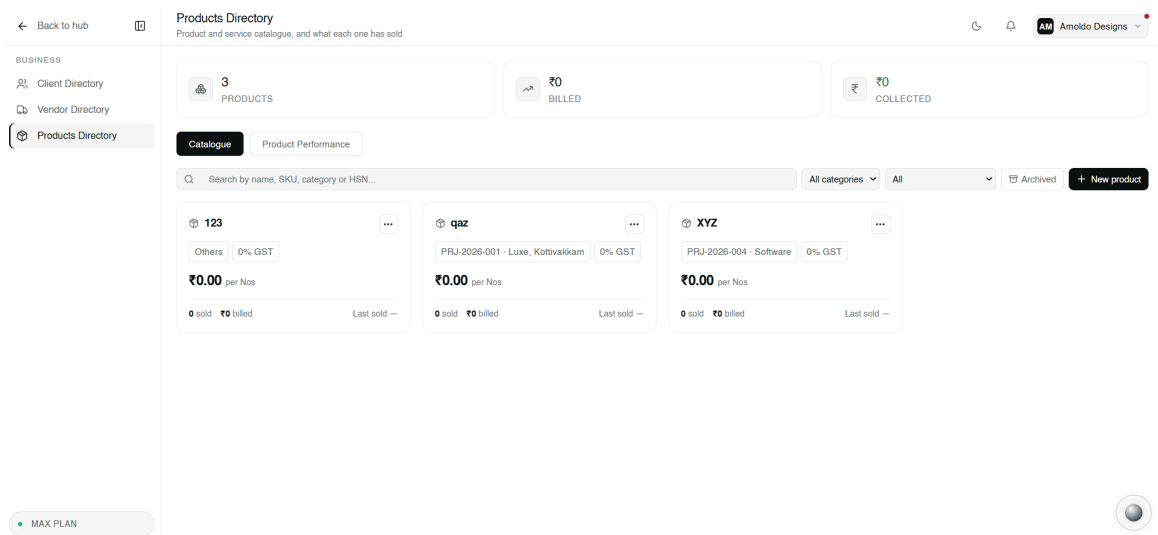

The screenshot shows the 'Billing' section of the 'LUXE, KOTTIVAKKAM' project. The left sidebar has 'Overview', 'Finance', 'Project', 'Team', 'Product', 'Client', 'Vendor', and 'Documents'. The main area has tabs for 'Status', 'Cash Book', 'Billing', 'Purchase Bills', 'Tax Summary', and 'Profit & Loss'. Below the tabs is a 'Search quotations' bar with a magnifying glass icon and a dropdown menu. Below the search bar is a table with columns: 'QUOTATION NO', 'CLIENT', 'AMOUNT', 'ISSUE DATE', 'VALID UNTIL', 'STATUS', and 'ACTIONS'. The table is currently empty, showing 'No quotations on this project yet'. At the bottom right, there is a button '+ New Quotation'.

<https://edgeos-beta.vercel.app/products-directory>

- ☐ This section should also get displayed in the Project page/Project - As 5th tab as “SKU”

- ☐ QAZ product should come in Luxe, kottivakkam project and XYZ should come in Software project.

- ☐ In SKUs tab, Give a option for user to select “Product or Service”
- ☐ Existing window is correct for Product
