- [ ] When I click on any Client. It is going to another page. Ex: Gateway International School, Neelankarai (CBSE). Following are the changes - Remove “Start Project”, Remove address mentioned in the top “Neelankarai (CBSE)”, Remove “GI” next to name

- [ ] Add a new section called “Projects” (Dropdown list box) - which will list down that particular client is how many projects.
- [ ] The Invoice font (INV - 25-26/004) and Rupees 2,00,000 is different from all the other fonts used. Please check it.
- [ ] In the Invoice (INV - 24-25/002) - The status is mentioned as “Viewed” - We should have only 2 status - “Sent” and “Paid”

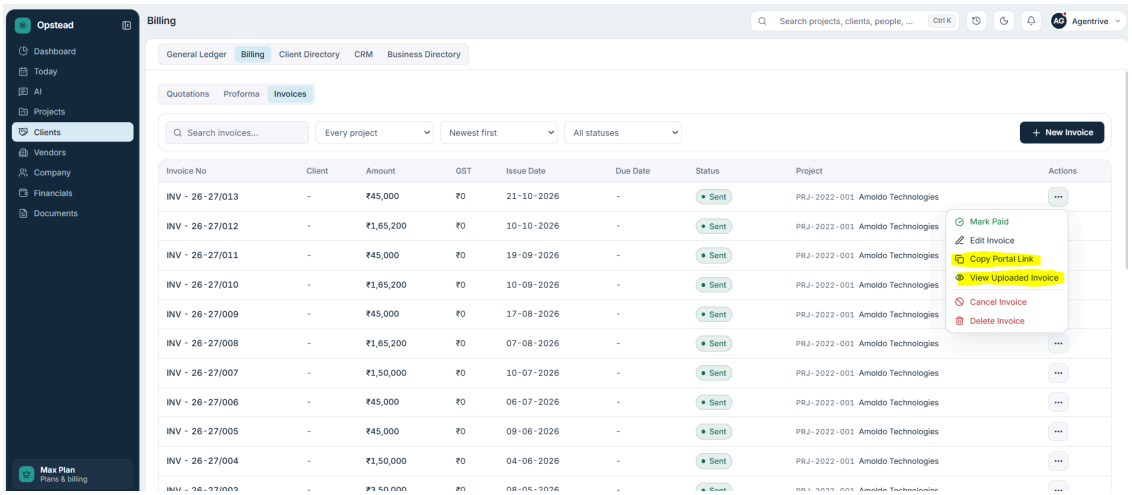

- [ ] Both status “Sent” and “Paid” is in same color

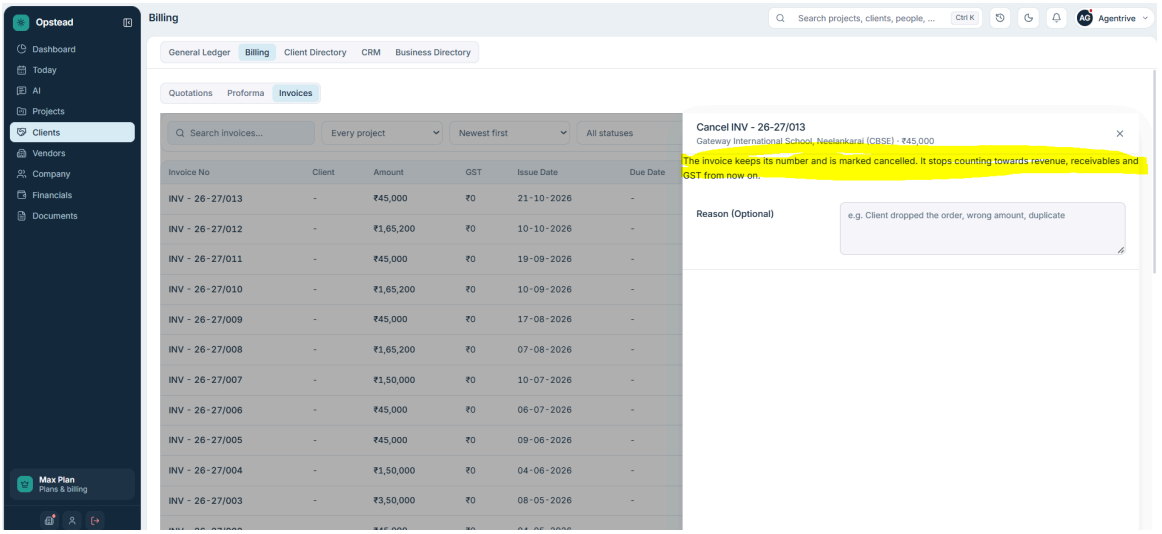

https://edgeos-beta.vercel.app/clients/billing/invoices

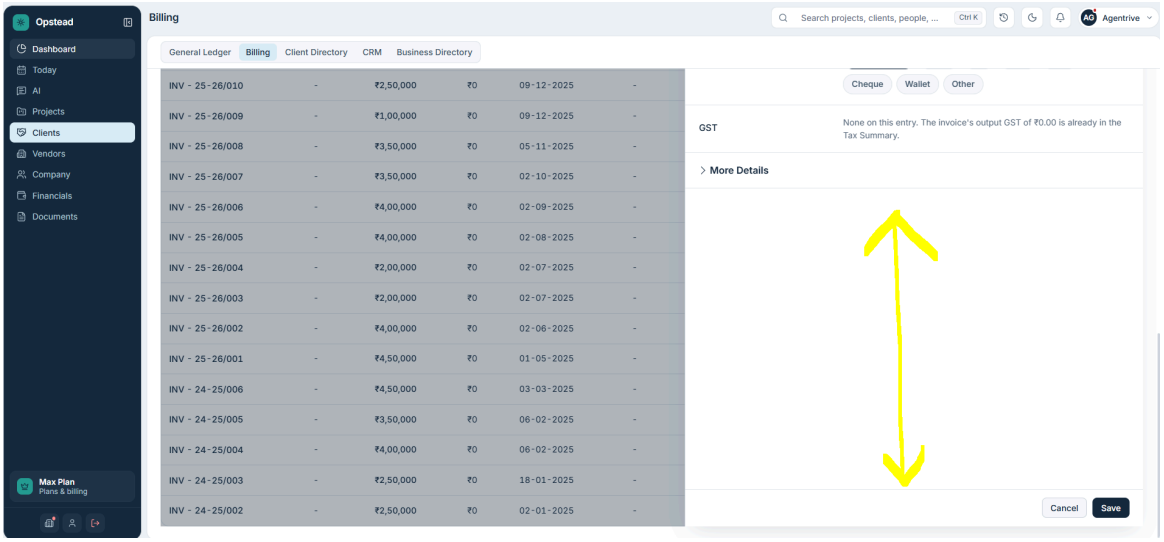

- [ ] In billing/ Invoice - Remove “Copy Portal Link”, Rename “View Uploaded Invoice” as “View Invoice”

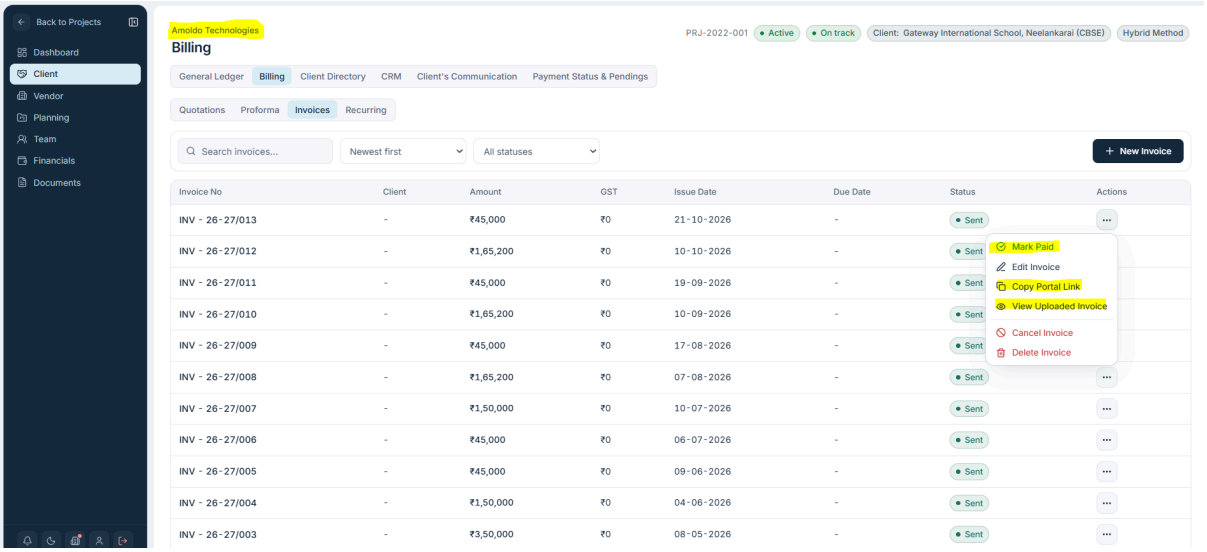

- [ ] When i click “Cancel Invoice”, The content is displayed end to end and the submit button is at the very bottom.

- [ ] When I click “Mark Paid”, I get to see the popup. When i click outside the pop, It is getting close, I need a warning signal. In the bottom, I can see some empty space below “More Details”

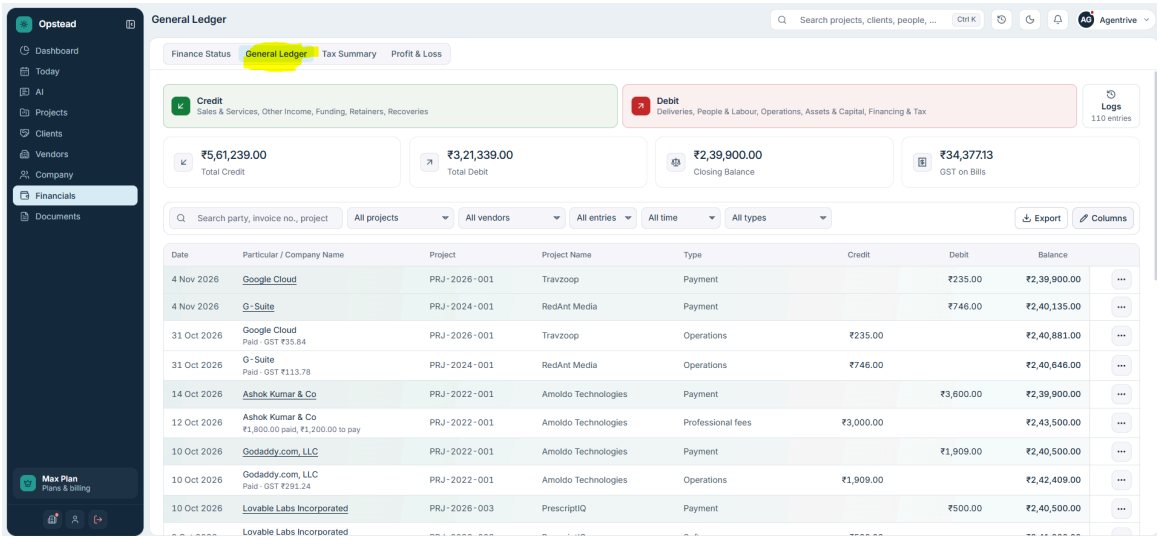

Note: In the project page - Billing/Invoice section. Make all the above changes

https://edgeos-beta.vercel.app/financials/general-ledger

- [ ] Remove the “General Ledger” in the Financials tab

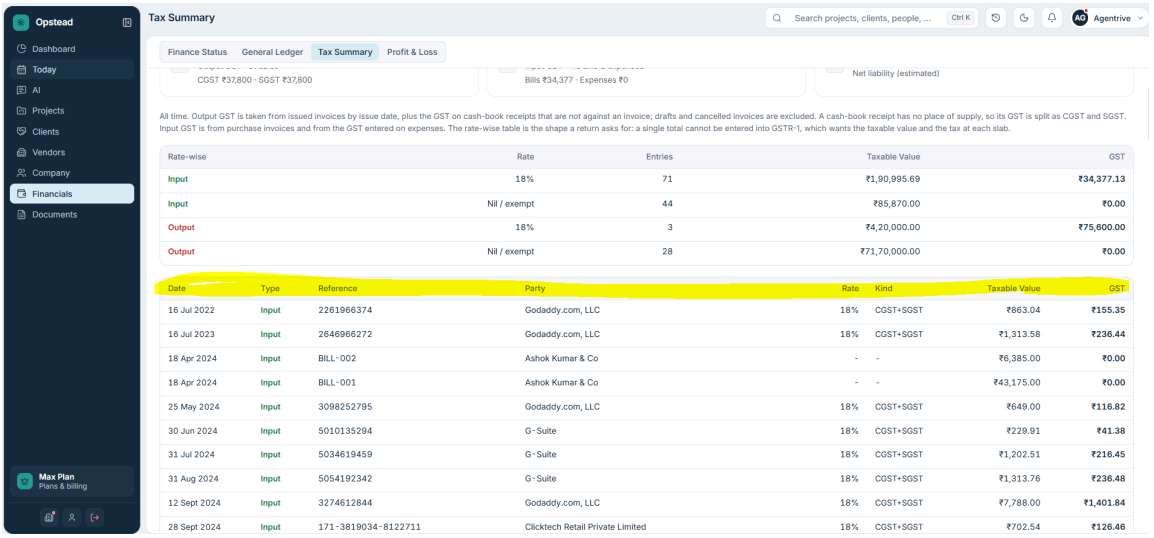

https://edgeos-beta.vercel.app/financials/tax-summary

- [ ] Give heading as “Rate-wise Table”. Make it 2 tables next to each other, One for Input and one for Output.

Rate-wise	Rate	Entries	Taxable Value	GST
Input	18%	71	₹1,90,995.69	₹34,377.13
Input	Nil / exempt	44	₹85,870.00	₹0.00
Output	18%	3	₹4,20,000.00	₹75,600.00
Output	Nil / exempt	28	₹71,70,000.00	₹0.00

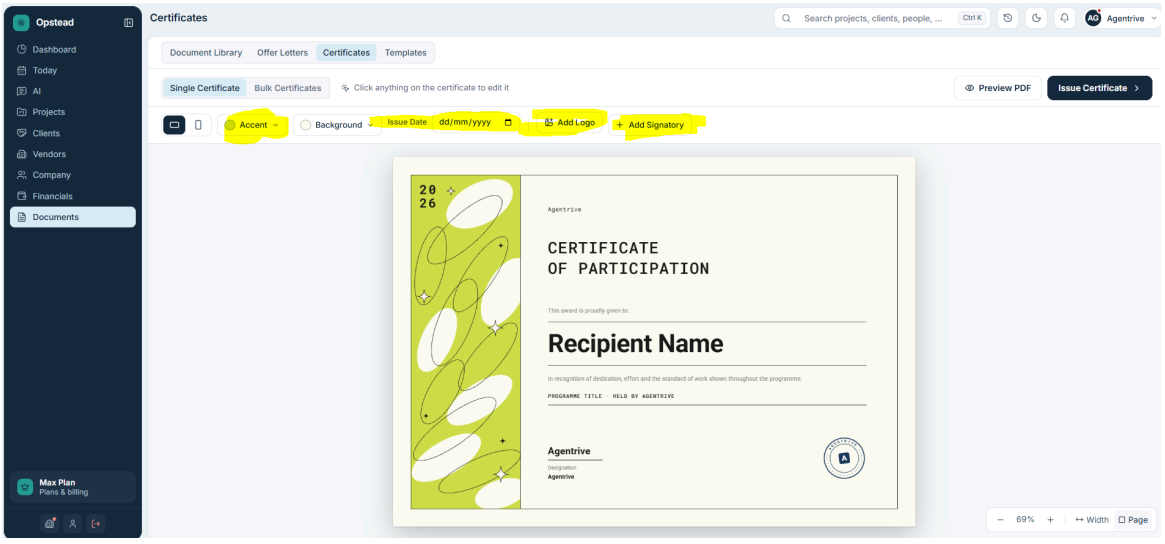

- [ ] Give heading as “All Entries” for the following table. Freeze the row, and Give pagination up to 50 per sheet

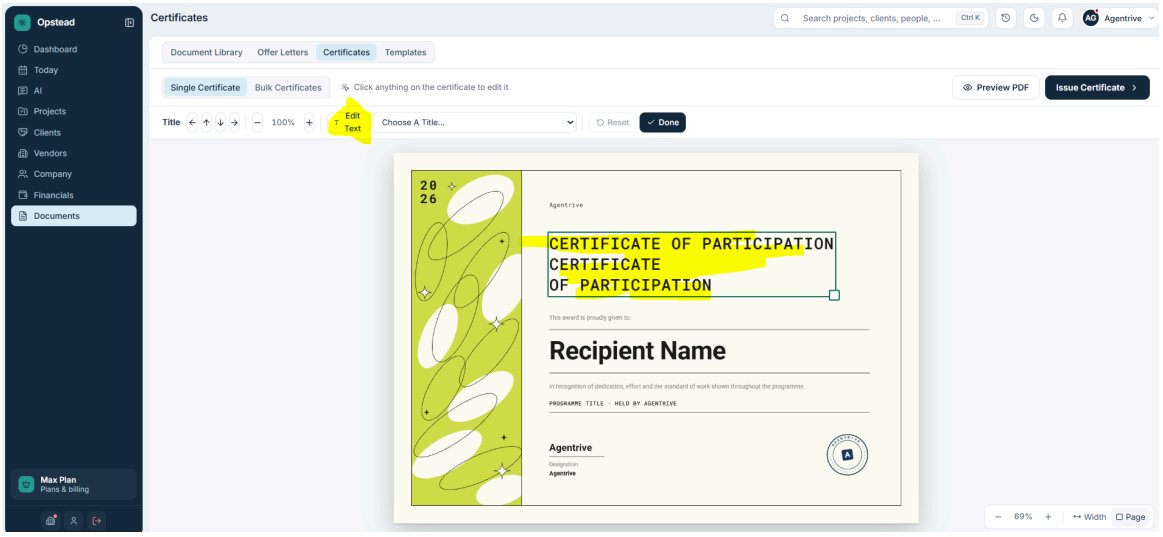

- [ ] Give a filter called “Type” it should have Input and Output. Only after this entry is given, new filter should open called “Party”
- [ ] In “Type” if the user selects “Input”. “Party” should display all vendors. In “Type” if the user selects “Output”. “Party” should display all Clients.
- [ ] Give a filter for “Rate”

https://edgeos-beta.vercel.app/documents/certificates

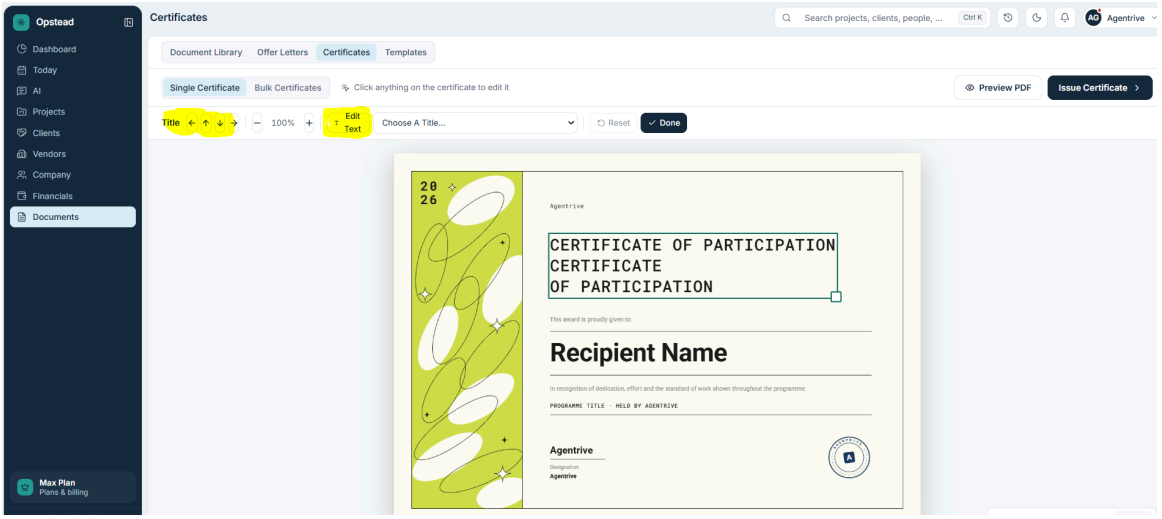

- [ ] Give an option for the user to Use “Accent” or not. Because some might not like using it, they might prefer a plain certificate.
- [ ] The “Issue date”, Add Logo” and “Add Signatory” button is not straight

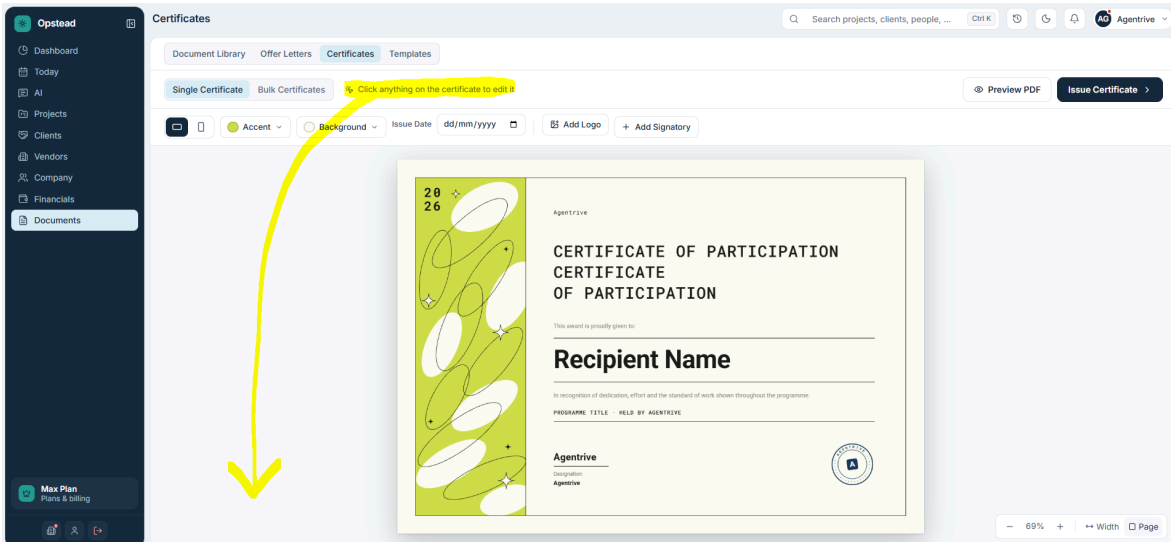

- [ ] When I click on “Certificate of Participation” and click “Edit text”, The “Certification of participation” appears twice.

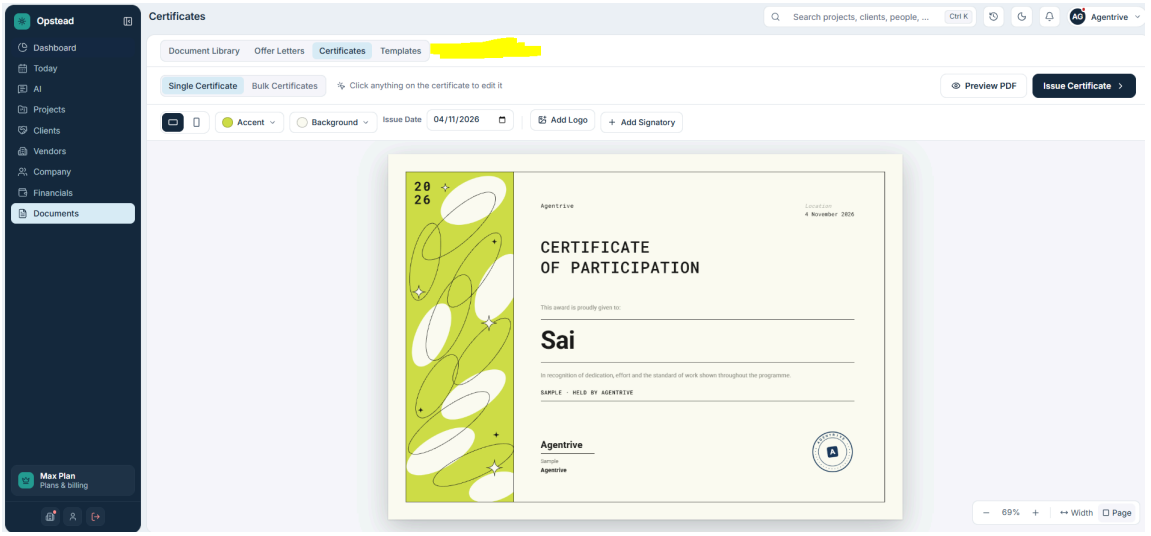

- [ ] Remove the left, right, up and down arrow. It is naturally known that we can drag with mouse.

- [ ] The “Edit Text” is getting displayed in 2 lines only for heading ““Certificate of Participation”. Rest all it is fine.
- [ ] Give an option called “Add Text”, So users can add additional details if needed.
- [ ] Remove “-” and “+” and give “Font size” with number like in word document
- [ ] Give a new section called “Font” and give some basic 10 to 15 fonts.
- [ ] Give this text in the left bottom

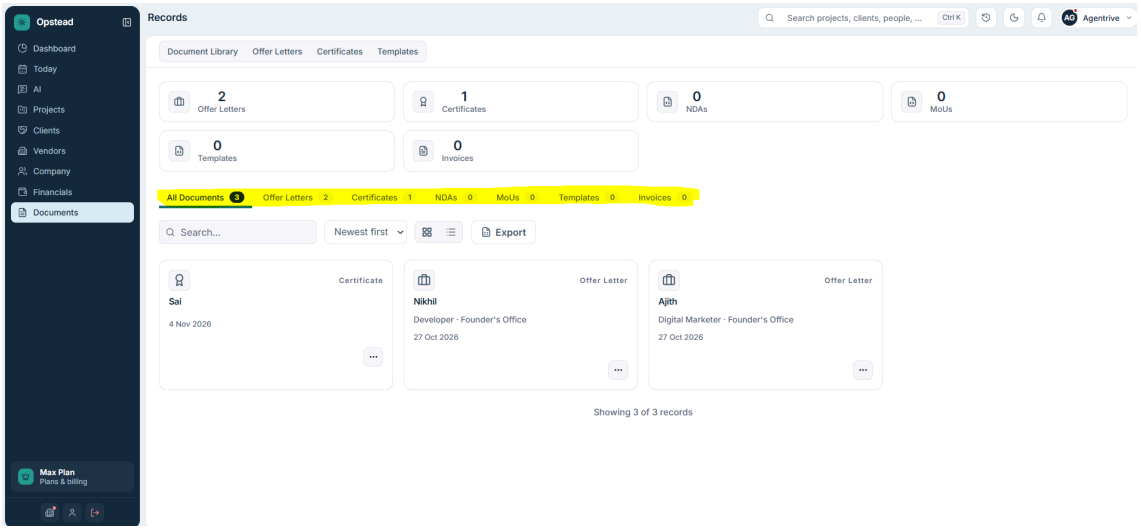

- [ ] After I issue the certificate, it goes to the “Records page”. The “Record” tab is not getting displayed next to “Templates” tab. Fix it.

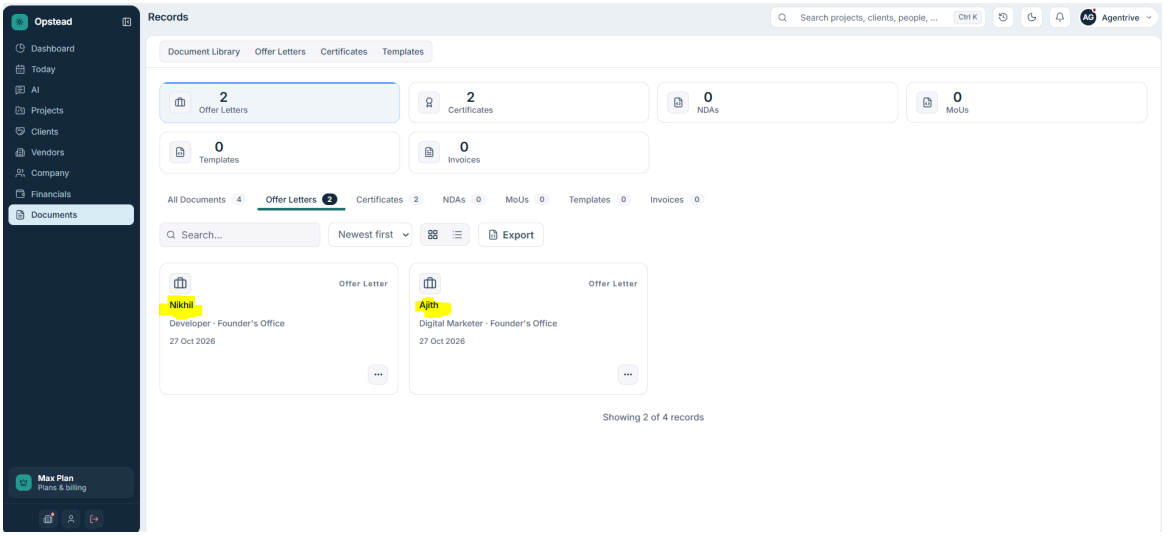

https://edgeos-beta.vercel.app/documents/records

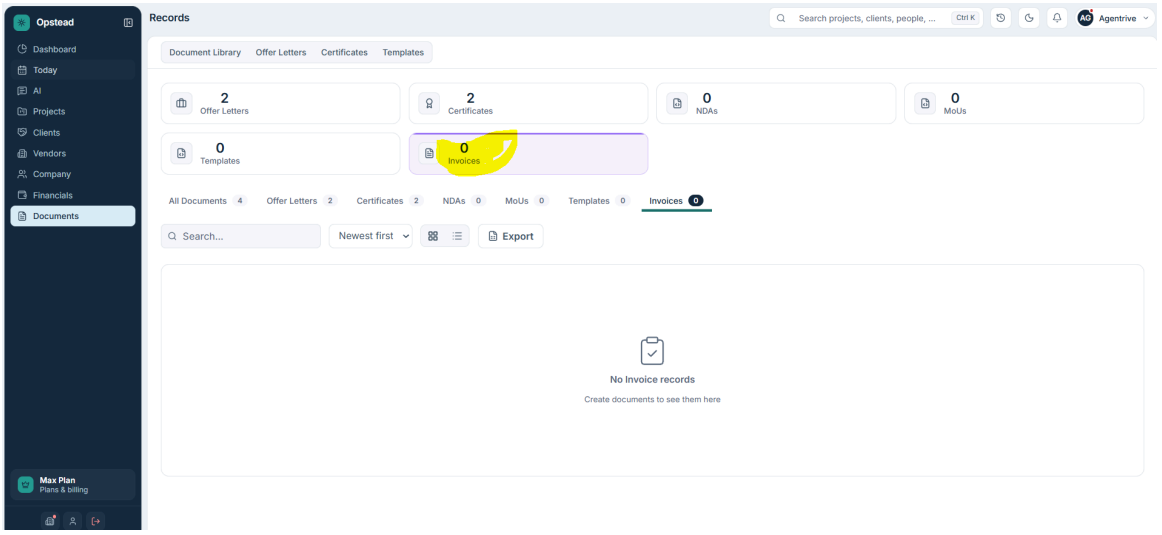

- [ ] In the Records tab, Keep 7 tabs in the top in the following order - All Documents, Invoices, Offer Letters, Certificates, NDAs, MoUs, Templates. Keep everything in a single row.
- [ ] Remove the bottom filter as we already have displayed in tab format.

☐ In the Offer Letters, Company have not generated offer letter for Nikhil and Ajith. It just added 2 employees in the team. Display only if the offer letter is generated

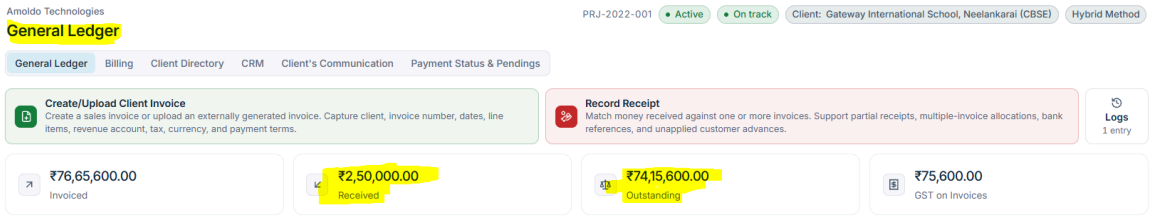

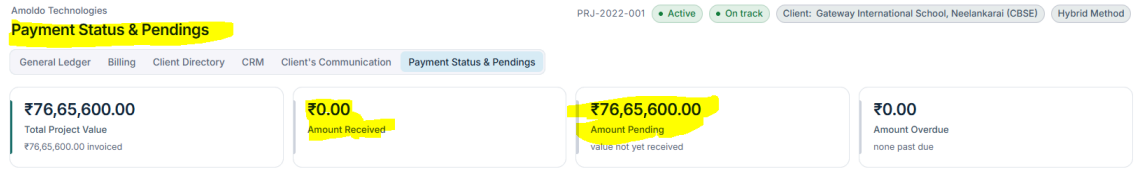

☐ The company has not generated any invoice, but it has uploaded many invoices. The uploaded invoices should get displayed here.

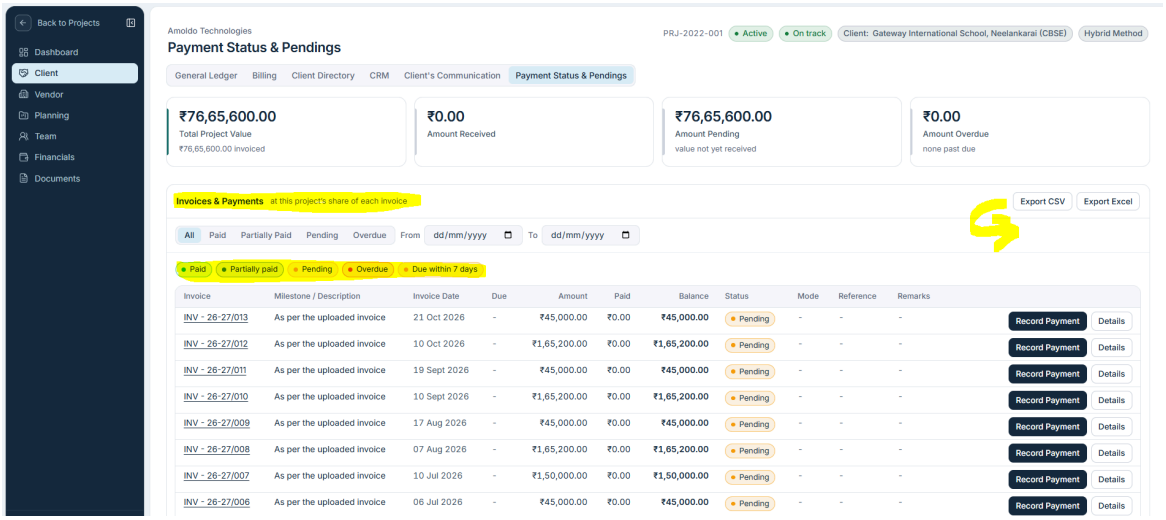

https://edgeos-beta.vercel.app/projects/amoldo-technologies/client-management/payment-status

- [ ] The “General Ledger” tab is showing the correct payment details, But the “Payment Status & Pending” tab is showing the wrong details.

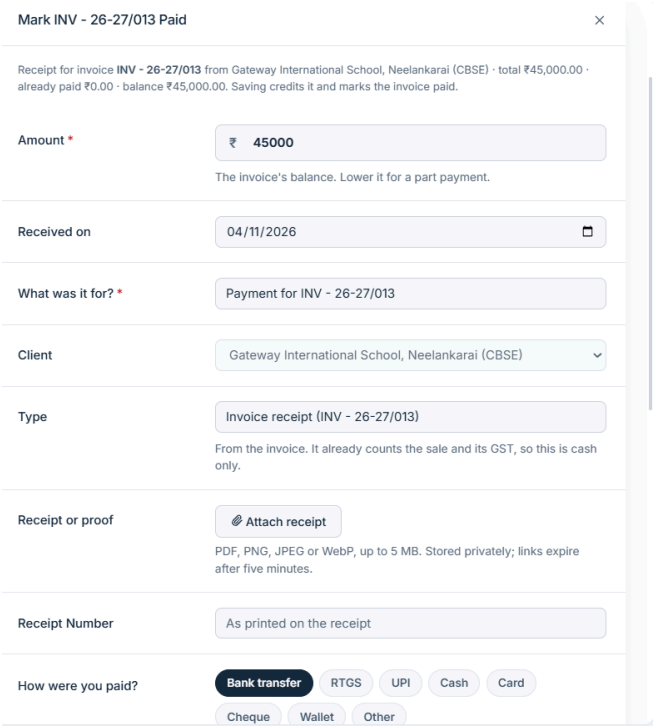

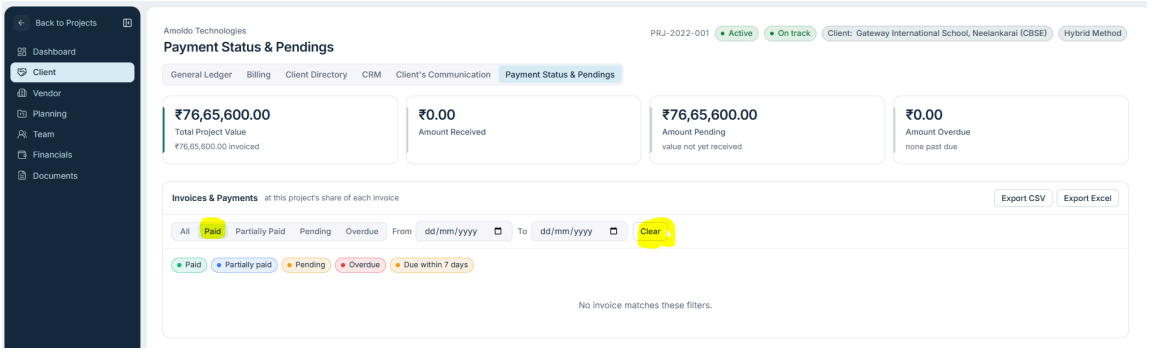

- [ ] Remove “Overdue” in “Payment Status & Pending” tab and show GST.
- [ ] Remove the text “Invoices & Payments at this project’s share of each invoice”
- [ ] Remove bubble showing “Paid | Partially paid | Pending | Overdue | Due within 7 days”
- [ ] Move the Export CSV and Export Excel down

- [ ] When i click “Record Payment”, it should display the following page given below like how we get to see in Billings/Invoices/Mark Paid. But currently it is showing different format

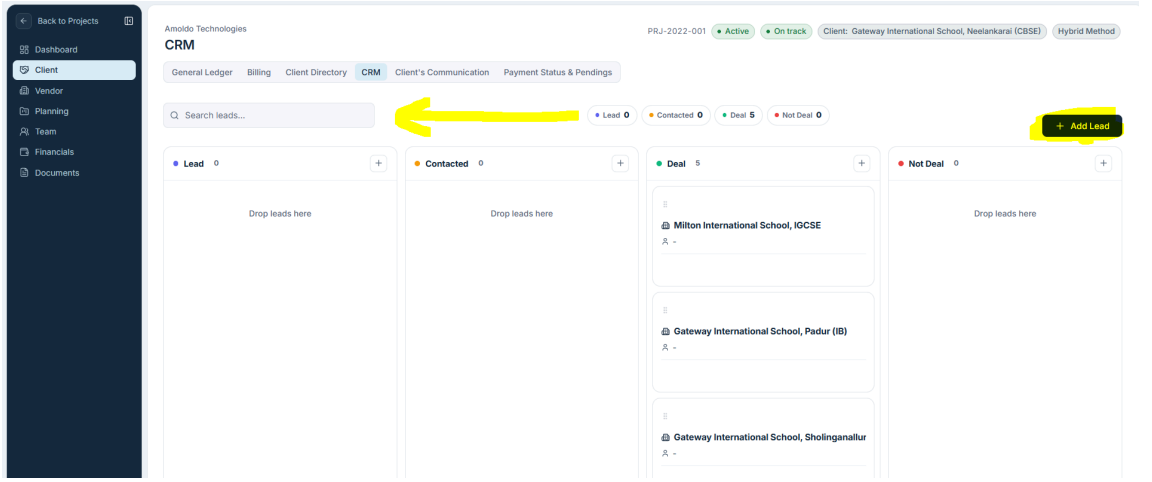

- [ ] When i click on “Details”, It should show the “Invoice”. But it shows something else.
- [ ] When i shift between between All | Paid | Partially Paid | Pending | Overdue. I get to see one button called “Clear”, You can remove it

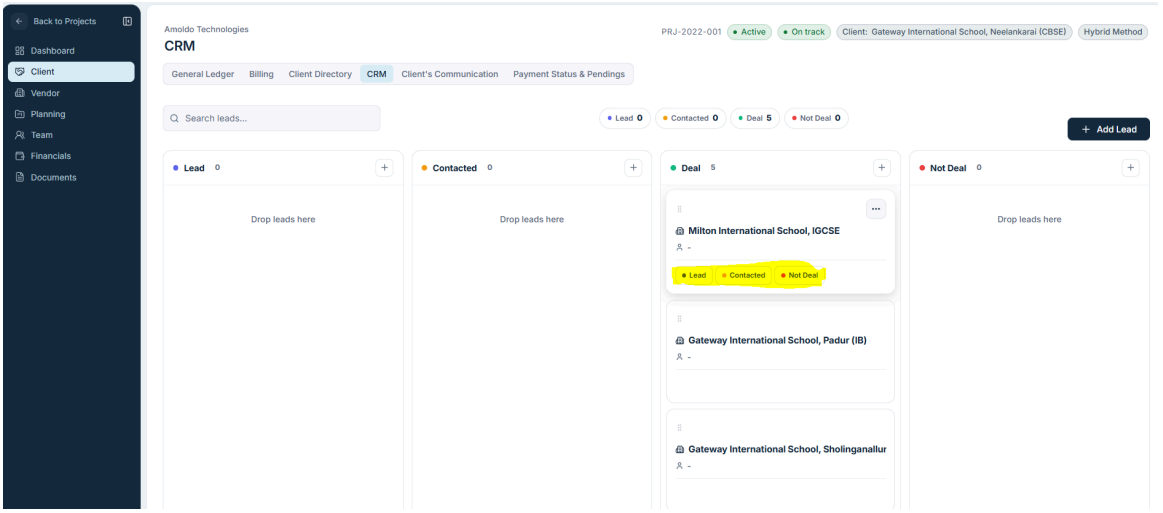

https://edgeos-beta.vercel.app/projects/amoldo-technologies/client-management/crm

- [ ] In Project/CRM - Move the Lead | Contacted | Deal | No Deal to side.
- [ ] “Add Lead” button is not in straight line with search and Lead | Contacted | Deal | No Deal section

  Note: Make this change in https://edgeos-beta.vercel.app/clients/crm also

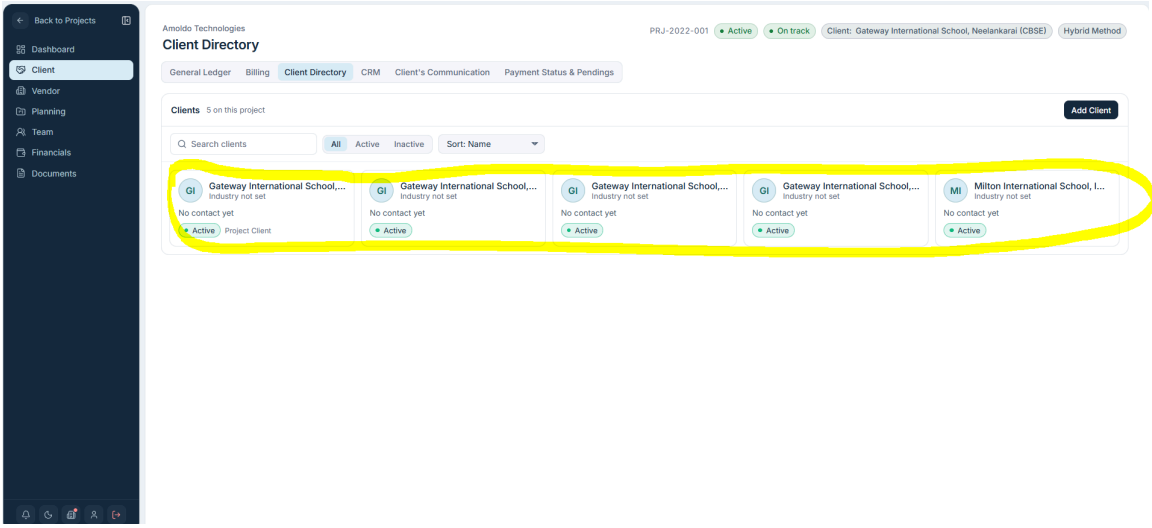

- [ ] Reduce the Size of the “Client” box. The bottom part “Lead | Contacted | Deal | No Deal” is not needed to display under all clients

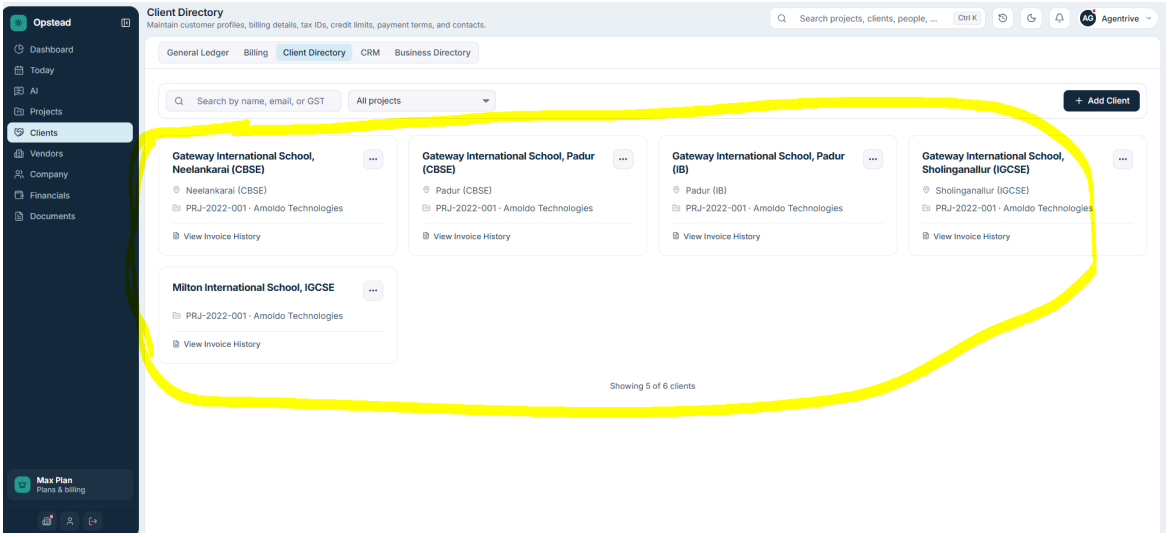

Note: Make this change in https://edgeos-beta.vercel.app/clients/crm also

https://edgeos-beta.vercel.app/projects/amoldo-technologies/client-management/client-directory

- [ ] The UI of the Project page - Client directory has to change. Please check the below pattern

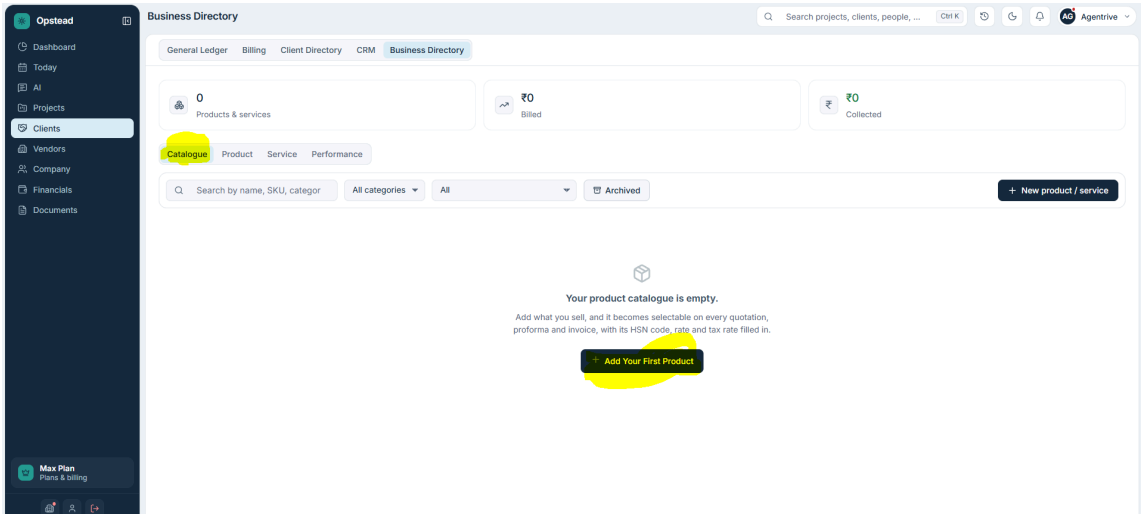

I wanted the UI to look like below - Hub/Client/Client directory

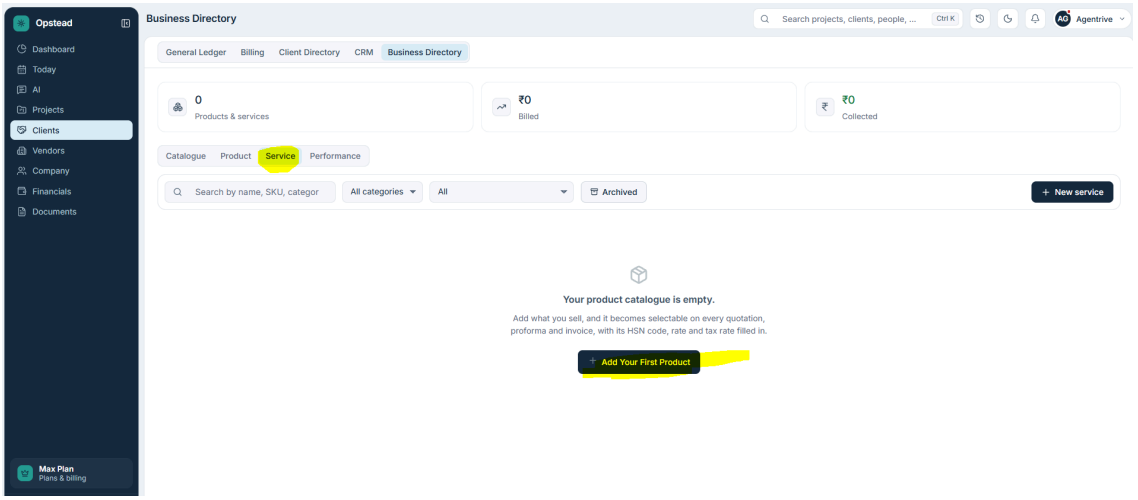

https://edgeos-beta.vercel.app/clients/business-directory

- [ ] Rename “Add your first product” as “Add Your First Product / Service”

☐ Rename “Add your first product” as “Add Your First Service”

☐
